

## Face screens

Martela AB

The product has been declared and approved according to the criteria in Möbelfakta:

### Quality - Environment - Responsible supply chains

#### Description

The acoustic properties of the Face screens dampen sound and contribute to a pleasant and quiet workplace. The screen set includes table and floor screens of different widths and heights with accessories, which make it easy to assemble a suitable unit for different spaces. With the Face series, the look of the space remains uniform even when using different workstation solutions. The glueless and replaceable upholstery is made with Gabriel's Cura Screen fabric or a similar fabric from Martela's standard collection that meets Möbelfakta's requirements.
