The Grip NxT C-base is a stackable and hangable student chair with powder coated metal leg. The C-base chair is available with three sitting heights, which offers a suitable option for every student. Thanks to the adjustable footrest, the same chair model fits for users of different heights - from preschoolers to adult students. The Grip NxT stool is very versatile and it is suitable for both learning and working environments. Both seat and backrest can be upholstered with Cura from Gabriel or an equivalent fabric in the Martela standard collection that meets Möbelfakta's requirements.
