

Pinta EQD

Martela AB

The product has been declared and approved according to the criteria in Möbelfakta:

Quality - Environment - Responsible supply chains

Description

The electrically adjustable Pinta EQD table is quiet and carefree to use. The table's anti-collision system effectively prevents dangerous situations. Pinta EQD desks meet the dimensional, safety, strength and durability requirements of an office work desk type A presented in the standards EN 527-1:2011 and EN527-2:2016 +A1 2019. Several tabletop options are available of chipboard with different surface variations. The frame is epoxy painted in the color white or black with adjustment range 640-1290 mm.
