

PoGo School table

Martela AB

The product has been declared and approved according to the criteria in Möbelfakta:

Quality - Environment - Responsible supply chains

Description

The PoGo school table and school table for two is a versatile, row-connectable and stackable table ideal for varying needs in learning environment. It's sturdy, but light enough to be easy to move. Bag hooks at both ends of the top and rounded corners improve user comfort and safety. The table is also available in a size suitable for two students. The PoGo school desk is available in chipboard or plywood with veneer, laminate or linoleum surface top and powder coated metal base with choice of colours.
